

SOLIDARITY WITH VENEZUELA IN MALAYSIA

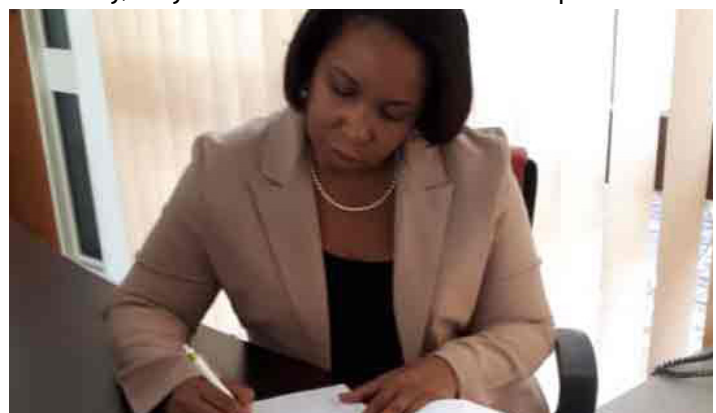

Mr. Mat Sabu, Minister of Defense of Malaysia

As is happening all over the world, in Malaysia also social groups, political parties, diplomatic personalities and Malaysian society in general in favor of peace, self-determination of peoples, respect for international law and the Charter of Human Rights are pronounced. United Nations.

Everyone knows that the United States is promoting a coup d'état against the legitimate and constitutional president of Venezuela, Nicolas Maduro, who was elected in a democratic, universal and broad contest on May 20, 2018, obtaining 67% of the votes cast. The legitimacy of President Maduro is unquestionable.

more elections are held to elucidate their political differences and decide their government authorities: President of the Republic, Governors of States and members of the Legislative Councils estatales, deputies to the National Assembly, mayors and members of the Municipal Councils.

**THE EFFECTS OF THE ECONOMIC WAR
AGAINST VENEZUELA**

***114.302 million Dollars in losses 2013 - 2018
Fall of the PIB of 60% due to the collapse of oil prices
and 40% due to an attack on the currency***

***With the 1.200 millions dollars, illegally retained by
the Bank of England, you can buy food for 6 million
families for 6 months***

***With the 20 millions Dollars lost through
exchange differential, it could be covered
Malaria care for 3 years in a row***

***Between 2013 - 2019 they have manipulated the exchange
rate by 3500 million %. The losses generated would have
allowed 10 consecutive years of investment in health***

***With the 11,000 million Dollars, of
CITGO, medicines and material are purchased
surgery for 5 years, for all Venezuelans***

***Without economic war that affects PDVSA,
it would produce 2.9 million b/d.
That Would Generate 37,000 Million Dollars ANNUAL***
